

**Dog & Bell Crew AGM Minutes**  
**Wednesday, 19<sup>th</sup> December 2018, 6.30pm**  
**Dog & Bell, 116 Prince St, London SE8 3JD**

**1. Members present**

Keith Jones (Tower Hamlets Wheelers), Brian Henry, Rachel Jones, Nigel Bee.

Apologies: None.

**2. Discussion**

2.1. There was a consensus that the Christmas Day Ride should be led by Bermondsey Bill Owen and should go to Edgware Road via the Duke's Head pub in Putney, rather than via the City, which was the route we have used in recent years.

2.2. Keith said he was intending to run a Tower Hamlets Wheelers rides programme next year and was willing to try out using [letsride.co.uk](http://letsride.co.uk) to get some additional riders.

2.3. Keith also suggested that we could invite SE London people to meet up with Tower Hamlets Wheelers people next year and do a joint ride to a steam engine railway and sheds near Tonbridge.

2.4. It was also agreed that, as Lewisham Cyclists no longer attend Dog & Bell meetings, what's left of the Dog & Bell Crew should be invited to go to their meeting instead. Their next SE London Cycle Groups meeting is at Sutton's Radio on Monday 21st Jan 2019.
